SUNLIGHT FINANCIAL NAMED TO CHARLOTTE BUSINESS JOURNAL'S FAST 50

Sunlight recognized as one of the fastest-growing private companies in the Charlotte region

CHARLOTTE, N.C. – November 25, 2019 -- [Sunlight Financial](#), a leading technology-enabled, specialty finance company providing point-of-sale financing solutions for residential solar and home improvements, announced today that it's been named to the [Charlotte Business Journal's](#) Fast 50 as one of the fastest-growing private companies in the Charlotte region.

"It is an honor to be recognized as one of the 50 fastest-growing companies in the Charlotte region," said CEO Matt Potere. "Our growth is the result of our teammates' commitment to our core values and our mission to enhance the lives of our customers, grow our partners' businesses, and improve our communities."

Since opening its office in Charlotte in 2015, Sunlight has experienced rapid expansion, funding \$2 billion in loans to help homeowners save money by going solar. Sunlight has positioned itself as the preferred option for homeowners buying solar systems and completing home improvement projects in the U.S.

The Charlotte Business Journal's signature awards program ranks the Charlotte region's fastest-growing private companies, based on a formula that reflects dollar and percentage growth in revenue during a three-year period.

A local accounting firm, [CliftonLarsonAllen](#), worked with the Charlotte Business Journal to evaluate nominations and financial statements. Qualified companies are headquartered in the 16-county Charlotte region and had revenue of at least \$1 million in 2018.

The 2019 Fast 50 final company rankings will be revealed at their annual awards dinner on Thursday, December 5, 2019, from 5:30 – 8:30 p.m. at the Marriot Charlotte City Center.

About Sunlight Financial

Sunlight Financial is a technology-enabled point-of-sale, specialty finance company. Sunlight partners with contractors nationwide to provide homeowners with financing for home improvement upgrades, including the installation of residential solar systems. Sunlight's best in class technology and deep credit expertise simplify and streamline consumer finance, ensuring a fast and frictionless process for both contractors and homeowners. Since 2014, Sunlight has arranged financing for \$2 billion in loans. For more information, visit <https://sunlightfinancial.com/>.
